FINAL PAVING ON US ROUTE 3 IN MERRIMACK-BEDFORD
FIVE NIGHTS OF ALTERNATING ONE-WAY TRAFFIC

The New Hampshire Department of Transportation announces final paving is scheduled to begin Sunday, August 7, 2005 on four miles of US Route 3 in Merrimack and Bedford.

This night paving work will take place from 7:00 pm until 6:00 am daily for five nights through the night of Thursday, August 11. One-way alternating traffic will be required in order to complete the work. Uniformed officers will be used to help guide motorists through the moving work zone.

This project involves the reconstruction of four miles of US Route 3 from Bedford Road in Merrimack to Hawthorne Drive in Bedford. Continental Paving of Londonderry, New Hampshire is the general contractor for the \$3.1 million project, which has a final completion date of September 2, 2005.
